

# Our Services

The Brilliance Project is a human-centered, values-driven, professional learning partner for educators, leaders, schools, districts, and whole education systems.

We curate *joyful learning* experiences that meet educators and leaders at their point of need, increasing *efficacy* and elevating their *wellbeing* to *flourish* and succeed.

Our professional learning services are centered upon high quality research-based tools, resources, processes, and practices. These empower schools and districts with the capacity, expertise, and confidence to successfully lead their own sustainable change.

# Illuminating the human connection between pedagogy and professional performance

Check out our brochures for more information on our *Forever Access* school and district learning kits:

- Prioritizing the Standards Switchkit
- Clarity Kit 1.0 (Teacher Clarity)
- Clarity Kit 2.0 (Teacher Clarity)

Our research and professional learning programs focus on the wellbeing of the *whole educator*, fostering sustainable interdependence between professional and personal lived-experience. All educators and leaders deserve learning opportunities that honor this.

Contact us to discover how an authentic, enriching partnership with **The Brilliance Project** can inspire your instructional and leadership teams and inspire them to shine.

# Our Services

We offer a flexible engagement model that ranges from **self-guided implementation** through to **full service consultancy**. All modalities of professional learning are available including **on-site**, **remote**, and **blended** based learning.

An overview of the services we offer is detailed below. This is indicative, not definitive. Please get in touch with us if you have any wider professional learning requirements that are not already cited below.

## ADULT WELLBEING

We believe that human connection is at the heart of pedagogy and professional performance. That's why we prioritize **adult wellbeing** in all our educator and leader professional learning services.

Our aim is to revitalize professional learning communities with wellbeing-integrated practices, nurture the whole educator and leader, and provide responsive professional learning that caters to the diverse needs of educators, leaders, schools, and districts.

We'll meet you at your point of need. **Wherever you are.**

We provide evidence-led services and programs that integrate **adult wellbeing** with instructional development, areas include:

- Building Trust
- Hope
- Self-Compassion / Awareness
- Self-Efficacy
- Fostering input and autonomy
- Psychological Safety
- Resilience
- Vulnerability
- Optimism
- Adult Learning Dispositions
- Clarity
- Courage

Connect with us learn more our wellbeing research and how it can contribute to your educator, leader, and student success.

### LEADERSHIP DEVELOPMENT

We offer leadership development for new, experienced, and aspiring leaders, in areas such as instructional leadership, data-driven decision making, strategic planning, professional learning communities, effective team management, change management and organizational development, curriculum development and implementation.

### PL FACILITATOR TRAINING

Looking to train facilitators who can deliver exceptional professional learning experiences in your school or district? Our offerings can equip your facilitators with the skills and knowledge they need to deliver impactful, research-based professional learning. Topic areas include andragogy, pedagogical practices, instructional design, presenting with competency, and participant engagement.

### CURRICULUM DESIGN

Implement a curriculum that drives success. Topics covered include: prioritizing, vertically aligning, and unwrapping the standards, teacher clarity, assessment literacy, writing assessment questions, quick checks, common formative assessments, student generated rubrics/scoring guides, feedback, and partnership with Larry Ainsworth and his Integrated Teaching and Learning System.

### PROFESSIONAL LEARNING

Our professional learning resources are designed to help educators and leaders build their skills and knowledge, stay up-to-date on the latest research, and improve their teaching practices. We offer a variety of learning opportunities, including on-site and virtual workshops, guided and independent learning, coaching, on-line courses, and other pedagogical tools and resources.

### COACHING & CONSULTING

Our coaching and consulting services can provide tailored support to meet your unique needs. We work with you to identify areas for growth and improvement, and provide targeted support to help you achieve your goals. We offer a range of coaching and consultancy services, including instructional and leadership coaching, coaching for presenters, and wellbeing coaching.

### SYSTEM IMPLEMENTATION

We can provide support to help you successfully implement new frameworks and methodologies across your school or district. We offer design and planning input, ongoing support, including training, coaching, and monitoring, to ensure successful site-wide implementation across your school or district.

### EVALUATION & SYNTHESIS

We can help you to structure and assess the impact of your professional learning efforts. With a tailored evaluation mapped to your unique needs, we can help you use data to drive ongoing improvement. We provide ongoing support to help you collect and analyze data, and synthesize the results to inform ongoing improvement efforts.

### KEYNOTE SPEAKING

Are you looking for a dynamic and engaging keynote speaker for your next event? We can design and deliver engaging and insightful presentations on a variety of topics including specialty areas of adult wellbeing, leadership, teacher clarity, and inspiring/motivational keynotes.

### RESOURCE DESIGN

We can work in partnership to develop tailored resources for your educators and leaders, including lesson plans, assessments, and pedagogical tools and references. We use the latest research and best practices to ensure that our resources are effective, engaging, and aligned to your unique needs.
